

SINCE 1994

JERAI[®]
FITNESS LTD.

Established in the year 1994, Jerai Fitness Ltd. is proud to have become a market leader in the Indian Fitness Industry with three decades of experience. Our aim is to be able to provide quality and affordable fitness solutions to all sectors of society. Through the Fit India Movement, we strive to foster health and wellness to everyone around the country to the best of our capacity.

Our vision is to deliver well-designed, biomechanically accurate fitness equipment of the highest standards, and we achieve this through a fully automated manufacturing process that assures safety and quality. With the help of Japanese production infrastructure and a great team of in-house engineers and experts we fulfill this vision. We take pride in the extensive range of equipment we have to offer and the service we deliver through our sales and after-sales teams.

The organization proudly adheres to the Make In India movement and thereby helps promote a better standard of living for all. We sponsor National and International Bodybuilding championships and take an active part in exhibitions and other platforms. Jerai Fitness not only boasts of showrooms and offices pan India but extends itself globally by maintaining a presence in over 20 countries.

Jerai Fitness has set a benchmark for integrity and ethics, whilst setting the highest standards for design, quality, service and innovation.

Let's Do More!

SINCE

1994

Jerai Fitness was founded in the year 1994 with the sole aim to provide high quality gym equipment that rivaled the best in the world.

2003

Jerai Fitness becomes the official equipment sponsor for the 2003 Mr. Universe competition which was held in Mumbai, India for the first time. Athletes from across the globe were able to experience and appreciate the premium and heavy duty Made in India equipment.

2006

Jerai Fitness continues to grow and expand by setting up a new, state of the art factory increasing its production capacity.

2014

Jerai Fitness establishes itself as the market leader in India and also becomes the first fitness equipment manufacturer to incorporate robotic automation in the production process.

1994

2017

Jerai Fitness ships its inaugural international order, moving towards global expansion. With meticulous craftsmanship, Jerai Fitness has garnered recognition beyond borders, solidifying its position as a leading provider of fitness equipment worldwide.

2018

Jerai Fitness becomes the first and only Indian fitness brand to participate at the FIBO Global Expo in Cologne, Germany.

2019

Jerai Fitness begins expanding its global presence by setting up the Official International Distributor.

2024

With 30 years of experience, Jerai Fitness has evolved into a Global brand that supplies equipment to over 20 countries across 5 continents. Jerai Fitness has consolidated its International network with over 10 Official Distributors across the globe.

LOAD-ON SERIES

Our Load On Series is a heavy duty range of fitness equipment engineered to amplify your strength training experience. Crafted with precision and innovation, each piece in this series is designed to push your limits and maximise your gains.

Constructed from high-quality materials and built to withstand the toughest workouts, our equipment is designed to last, ensuring that you can train with intensity day after day.

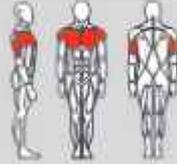

With adjustable settings and multiple features, our equipment adapts to your unique needs and preferences, allowing you to tailor your workouts for maximum effectiveness.

The Load On Series delivers unparalleled performance and versatility, giving you the tools you need to take your strength training to the next level.

BENCHES & RACKS

Our Benches & Racks Series is a mainstay in the realm of strength training equipment. Our benches are constructed with heavy-duty steel frames and high-density padding to provide stability, support, and comfort during your workouts.

Complementing our benches are our sturdy and versatile racks, engineered to withstand the demands of heavy lifting while ensuring safety and stability. Featuring multiple adjustments and robust construction, our racks provide a secure platform for squats, bench presses, and other compound exercises.

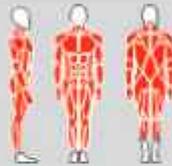

Added features such as safety catches, spotter arms, and integrated storage options further enhance the functionality and convenience of our benches and racks, making them essential components of any home or commercial gym.

Whether you're looking to build strength, increase muscle mass, or improve overall fitness, the Benches & Racks Series provides the tools you need to achieve your goals efficiently and effectively.
